Convenor’s Welcome

On behalf of the Conference Organising Committee, it gives us great pleasure to welcome you to the 2018 ANZSOC Conference.

The theme for this year’s conference is ENCOUNTERING CRIME: DOING JUSTICE. ANZSOC holds a time-honoured place at the intersection of academic criminology and the many fields it encounters. The 2018 conference continues this tradition by inviting and encouraging robust exchange of voices, visions and experiences of crime, criminology, criminal justice and justice more broadly conceived.

This year’s theme speaks to the many ways we as researchers and practitioners encounter crime and find ways of doing justice – across time, place and scale – from the everyday to the extraordinary, the interpersonal to the international.

We thank you for attending and trust you will enjoy what promises to be a professionally and socially fulfilling few days.
